

YOUR VIVACIOUS VOICE!

BEND AND TRANSFORM

Make an 'OOOOoooooooooooo'. Now keep making it, while you:

BEND IN HALF AND LIE ON THE FLOOR

JUMP UP AND DOWN AND LOOK AT THE SKY

Lie right down and pretend to cry!

Get all ANGRY and dash about

Get all sullen and make a pout

PRANCE A CRAZY, STRANGE LITTLE SKIP

Make your wrists and ankles flip

Run around upon your knees

SCRATCH AS IF YOU'RE FULL OF FLEAS!

**Hear that 'Oooooooooo'
and what it becomes!**
