

YOUR VIVACIOUS VOICE!

HIGH **LOW** = ***Fast*** **SLOW**

Make the **highest** sound you can:

**TWEET LIKE A
LITTLE BIRD**

**SCREAM LIKE
A SIREN**

**SCREECH LIKE
A HAWK**

**SQUEAK LIKE A
RUSTY DOOR**

**BEEP LIKE A
FIRE ALARM**

Now make it really really **low**:

**GRIND YOUR
GRAVELLY VOICE**

**WOOF LIKE
A WOLF**

**BE A BOOMING
BEAST**

Make your tongue **click** super-fast:

**CLICKETY CLACK, MAKE A CLICK WITH YOUR TONGUE,
faster and wilder all over your mouth! MAKE SOME SOUND!**

Make your tongue **drag** slow slow slow:

**SLOSH YOUR TONGUE AROUND YOUR MOUTH, BACK AND FORTH AND IN AND OUT,
slow and round and slurpy. MAKE SOME SOUND!**

**How does all this voicing go?
How does your whole body flow?**
