

COLOUR YOUR PITCH RAINBOW!

“Pitch “ is about how **high** or **low** you go...

Let's make your **highest** squeak be Blue.

Colour the squares and squeak it now!

Let's make your **lowest** squeak be Red.

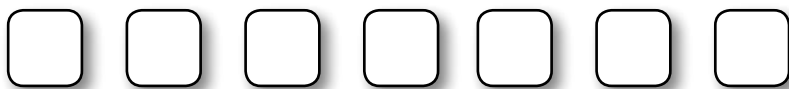

Colour the squares and squeak it now!

In between are other colours and other pitches – pink, orange, yellow, green. Colour them in and make them up!

With these we can make compositions – choose your colours, colour them in, and voice them now!

Make some more of your own!
