

YOUR VIVACIOUS VOICE!

THE PITCH RAINBOW

“Pitch” is about how **high** or **low** you go...

Let's make your **highest** squeak be **blue** – squeak it now!

Let's make your **lowest** squeak be **red** – squeak it now!

In between are other pitches: make them up!

With these we can make compositions – voice them now!

Get some coloured pencils and make some yourself!
