Now let's explore with your friend: Find some teeth! Curl and twirl around their edges.

Take the

TIP

FEEL YOUR GUMS

on the inside of your mouth...

...and in between your teeth and cheeks!

Scoop your tongue up... curl it inside... float along the top of your mouth... feel the hard bits... feel the soft bits... now let some air fly across its face! Blow and blow and make sounds of snow, sounds of snakes, hiss, hiss, shhhh, thhhhhhh...

Now dance that crazy tongue around and add a little vocal sound!
